Middle school is a major shift from elementary school. "Lucy and CeCee's How to Survive (and Thrive) in Middle School" explores the challenges middle school shenanigans of Lucy and CeCee as they try to apply their expertise with dealing with bullies, life, and everything else, sharing their adventures of middle school drama. With plenty of humor and adventure, "Lucy and CeCee's How to Survive (and Thrive) in Middle School" is a strongly recommended addition to young adult fiction collections, not to be missed.
